A Special Wrench with an anti-slip feature

PAT. Pending

Have you ever had a scary experience when your wrench slipped off?

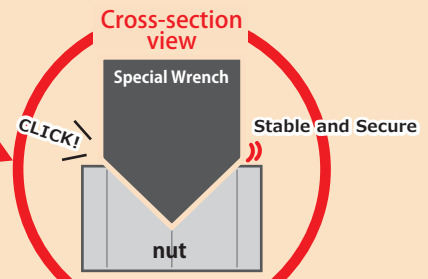

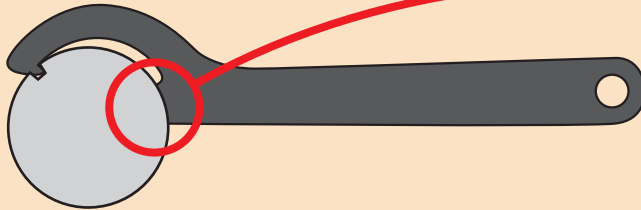

Prevents unexpected incidents within the machine.

Reliability

Safety

That's the way!

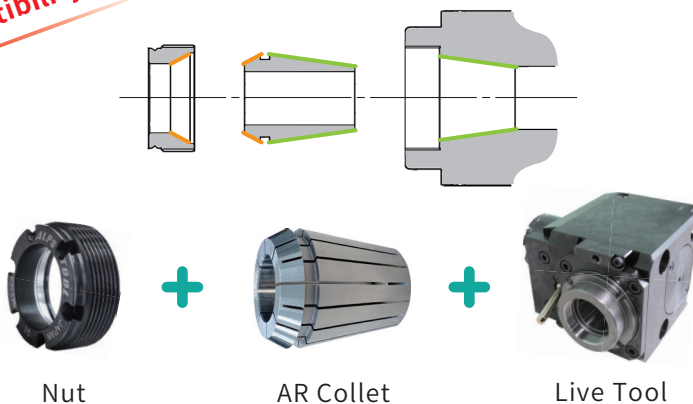

The structure fits into the grooves and prevents slipping.

Only ALPS TOOL can offer a **FULL LINEUP** of original tools **WORLDWIDE**!

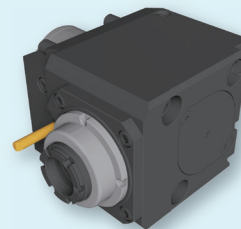

Optimal Compatibility!

Combination

Because the nuts, AR collets, and live tools are all designed and manufactured in-house, **highly precise combinations** can be achieved.

This ensures **greater product accuracy** and **more stable performance**.

Accuracy UP!

Please give it a try!
